INTRODUCTION

ABOUT US

Since opening our establishment in 2006, we've made it our mission to help dancers reach their full potential.

Our team of expert instructors have extensive experience teaching and performing a wide range of styles and disciplines.

Our program is tailored to individuals who are ready to commit to full-time dance training and have the required physical ability, drive, and determination to flourish in the industry.

We welcome any student who attends any dance studio, with advanced dance experience or higher.

OUR STUDIO

AOD SPACE

Our fully equipped studios are fitted with barres, tarkett flooring, mirrors and air conditioning, making it the perfect environment to learn to dance. With a large, comfortable waiting area, reception and kitchen facilities, this makes our studio a great place for our students.

OUR GOALS

Our program is tailored for dancers who are passionate about their art and seeking to expand beyond the limitations of traditional after-school classes.

We provide a secure and purposeful environment where students can explore an artistic and academic education with confidence.

Our Elite students stand out from their peers with their exceptional maturity, professionalism, and self-assuredness, all of which is fostered through the structure of the AOD Elite. Join us and take your dance education to the next level.

Individualized training and care are crucial for students' long-term goals, and low class numbers serve as an ideal foundation and starting point for achieving this.

Our aim is to provide students with the essential skills and knowledge required to excel in their future careers in the dance or performing arts industries.

Our top priority is to ensure that each dancer is developed both physically and mentally. We take great care in tailoring training to meet the unique needs of each child.

YEAR 10, 11 & 12

For students in Year 10, 11, and 12 who are passionate about dance, AOD Elite offers a comprehensive program to help them hone their skills and develop their talent. This program includes three days a week of intensive dance training from 9am to 3:30pm. Students will have the opportunity to work with experienced instructors who will help them refine their technique, improve their performance skills, and explore a range of dance styles.

In partnership with Thebarton Senior College, students will also spend two days a week on academic studies. This will allow them to maintain a well-rounded education while pursuing their passion for dance. The academic program is designed to support students in their academic goals, with a focus on developing strong study habits, critical thinking skills, and effective time management strategies.

Overall, the Year 10-12 program at AOD Elite provides an excellent opportunity for students to pursue their passion for dance while also maintaining their academic studies. With expert instruction, a supportive community, and a well-rounded curriculum, students will be well-prepared to pursue their dreams and achieve success in all aspects of their lives.

CERTIFICATE III IN DANCE

For students in Years 11 and 12 who aspire to pursue a professional dance career, the Certificate III in Dance program serves as an excellent stepping stone between school and full-time training. This course is designed to provide school-leavers with the skills needed to make a successful transition to the dance industry.

The program is conducted once a week and includes a range of technique classes such as jazz, tap, and contemporary dance. In addition, students have the opportunity to acquire industry-specific skills and enhance their technical proficiency.

Upon completion of the Certificate III in Dance program, students can earn up to 75 Stage 2 credits which can be applied towards their SACE Certificate, making it a valuable addition to their academic and professional portfolio.

We welcome any student who attends any dance studio, with advanced dance experience or higher.
